

**Directions for making your Gingerbread figure:**

**You will need glue and needle/thread (optional). Please read all directions first.**

1. Using the small packet of accessories, glue or sew your figure's eyes, mouth, bow tie, buttons and arms/legs cuffs to one of the brown felt panels.
2. Sew or glue the sides of your figure together, temporarily leaving an inch opening at the top of the head.
3. Pour the rice through the opening at the top of the head and move the rice evenly around inside the figure.
4. Form a loop with the string and cross the ends; glue the string at the cross to the inside top of the back of the head.
5. Sew or glue the opening closed at the top of the head.
6. **Optional:** Before closing the opening at the head, add several drops of your favorite essential oil to the rice.

**Disclaimer:** No materials in this kit are to be ingested. This kit is suitable for children older than 3 years with adult supervision.
